

STATE OF IDAHO
PROFESSIONAL STANDARDS COMMISSION
STATE DEPARTMENT OF EDUCATION
PO BOX 83720
BOISE, IDAHO 83720-0027

The Professional Standards Commission, along with the State Department of Education, is seeking dedicated professionals to participate in the 2016 review of the Pre-Service Technology Teacher Preparation Standards. These are the standards by which every Idaho teacher preparation program must build their coursework in order to maintain state approval for certification. Many educators in your regions have volunteered their services for similar reviews in the past, and we would love to have your/their continued support for this review. Through this process we intend to better align these standards with current best practices and national standards.

Please feel free to forward this information along to other qualified professionals who may be interested in serving. Please contact Annette Schwab as soon as possible if you (or a nominee) are willing to serve on this review. More detailed information (agenda, resources, travel, lodging, etc.) will be sent once the team has been confirmed. Please email information regarding your teaching experience and all contact information to aschwab@sde.idaho.gov by **Tuesday, January 19, 2016**. Our meeting room space is limited, so team selection will be based on earliest response and experience diversity.
